It's just so awesome to know that Dot is there, has such a broad variety of ingredients, and is able to help us out in a pinch. —Courtney Bufford, McAlister's Deli

## Recipe for Success

#### **INGREDIENTS**

#### 24/7 Access

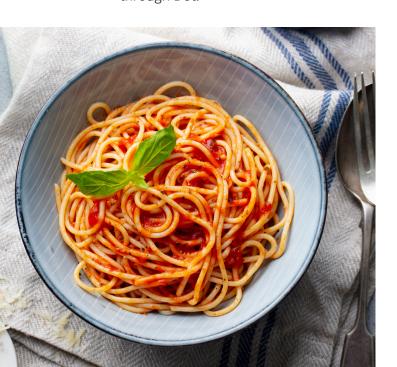

Use our website to order samples and access our entire catalog, product details, and your sample history. You can also find replacements for out-of-stock items.

#### **Culinary Expertise**

Meet Chef Tim. He has over 40 years of experience. He'll work directly with you to pinpoint the products that fit your brand, specifications, and flavor expectations.

#### **Exclusive Trade Show**

Interact directly with Dot Foods suppliers and their chefs at Innovations, our invite-only trade show. Everything on the show floor is available to source through Dot.

#### INSTRUCTIONS

#### 1. Bring Us Into the Menu R&D Process

Explore our products online and work with Chef Tim to discover trending flavors to enhance your menu.

### 2. Sample Products From Our Website

Find and order samples off of DotFoods.com at no cost using suggestions from Chef Tim and product information on our website.

## 3. Collaborate to Optimize Your Supply Chain

We'll work with you, your distributor network, and your suppliers to determine when and where products are shipped to your locations.

#### 4. Enjoy Your Products!

With no product-line minimums and weekly deliveries to our distributors, we can help you fill gaps in your sourcing and maintain consistency.

Dot Foods has the recipe for sourcing success. Learn more today by contacting your Dot national account manager.
