Burley Forklift Rodeo Winners Headed to Grand Nationals

BURLEY, Idaho – Three order selectors from Dot Foods’ Burley distribution center are headed to the company’s Grand National Forklift Rodeo Finals in Mt. Sterling, Ill., June 24 after winning first place in the Burley qualifying finals. On May 26, Dot crowned winners on three pieces of equipment – a sit-down forklift, mule (pallet jack) and narrow-aisle reach truck.

Maneuvering through an obstacle course with their choice of material handling equipment, competitors carried a trash can with a basketball balanced on it through a timed obstacle course, with penalties for safety infractions or contact

The Burley winners are Bret Beabout, Nick Blayney and Travis Jones

with the course boundaries. The winner on each piece of equipment is eligible to compete in the Grand Nationals, where the prizes include six possible vacation packages, such as a trip to the Bahamas.

“Each of our winners demonstrated precision, speed and knowledge of the equipment, all of which are qualities necessary to compete in the national event,” said Terry Andrew, Dot’s Idaho HR manager. “The Forklift Rodeo is a great event because it promotes safe and efficient equipment operation among the employees while also giving them the opportunity to win an all-expenses-paid trip to the Grand Nationals and ultimately a trip to one of several vacation destinations.”
