Cargill Kitchen Solutions Receives 12th Dot Foods Award

MT. STERLING, Ill. – Mt Sterling-based Dot Foods Inc. has recently given a Quality & Service Award for the 12th consecutive year to Cargill Kitchen Solutions, a leading marketer of high-value, further-processed egg products based in Monticello, Minn.

“We are very excited to recognize Cargill Kitchen Solutions for the excellence in customer service that it provides the industry,” said Mike Buckley, vice president of business development for Dot Foods. “The significance of achieving this milestone with Dot for 12 years in a row illustrates Cargill’s ongoing commitment to customer satisfaction at every level of its relationships in the business, and not only does Dot appreciate it, but more importantly, our mutual customers receive the benefit.”

Established in 1998, Dot’s Quality & Service Award recognizes Dot suppliers for providing superior quality and service. The award criteria include inbound service level, electronic transaction compliance and how well a supplier supports distributors.

“The stakeholders at Cargill Kitchen Solutions understand the needs of Dot Foods,” said Mary Thompson, president of the Cargill business. “They value the relationship with Dot and that translates into the service we provide and want to continue to provide.”

About Cargill Kitchen Solutions

Cargill Kitchen Solutions, formerly Sunny Fresh Foods, is a leading marketer of high value, further-processed egg products in North America. With processing plants in Minnesota, Iowa, Michigan and Ontario, customers include premier quick-service restaurant chains as well as food manufacturers. In 1999, Cargill Kitchen Solutions became the first food company in the United States to receive the prestigious Malcolm Baldrige National Quality Award. In 2005, Cargill Kitchen Solutions received the Malcolm Baldrige award for the second time. Cargill Kitchen Solutions is a business unit of Cargill. Cargill is an international producer and marketer of food, agricultural, financial and industrial products and services. Founded in 1865, the privately held company employs 159,000 people in 68 countries. For more information, visit <http://www.cargill.com> or www.sunnyfresh.com.
