## Dot Foods Spruces up Liverpool for Earth Day

Food redistributor and its Monarch Drive neighbors clean up their corner of New York

LIVERPOOL, N.Y. – Dot Foods Inc. associates, friends and neighboring businesses participated in an annual Earth Day cleanup on Friday, April 23.

Dot associates devoted time on Friday to clean up Monarch Drive, the road that leads to Dot's Liverpool facility, which employs more than 240 people. "Dot Foods and its employees are pleased to participate in the effort to preserve our planet," said Brian Hall. "This event heightens awareness among employees and the community on the importance of protecting our environment and resources." After the cleanup was completed, Dot hosted a cookout to celebrate everyone's hard work.

The Liverpool distribution center initiated the Earth Day cleanup program several years ago, and the number of participants has multiplied five times since it began, expanding to community volunteers and neighbors on Monarch Drive. More than 50 people participated this year. Companies represented at the event included Dot Foods, Syracuse Scenery and Stage Lighting (SSSL), T-Mobile, Century Fasteners, Comfort Windows/Galaxy and McPeak Company.

Dot Foods employees Jeff Tomasino (left, inventory control) and Mike Stewart (right, assistant warehouse manager) clean up for the cause.

“We hope that this event continues to grow and recruit more volunteers and businesses in the community to join,” Hall noted.

Dot Foods Inc. carries 92,000 products from 500 food industry manufacturers and is the largest food redistributor in the United States. Dot Foods and Dot Transportation sell and deliver foodservice, convenience, retail, vending, equipment and supplies to leading distributors in all 50 states. Dot Foods operates eight distribution centers in: Modesto, Calif.; Vidalia, Ga.; Burley, Idaho; Mt. Sterling, Ill.; Cambridge City, Ind.; Williamsport, Md.; Liverpool, N.Y.; and Ardmore, Okla.
